ATTENTION ALL SENIORS AND SENIOR PARENTS

SR. CLASS AFTER GRADUATION PARTY AT DAVE AND BUSTERS!

Our committee is pleased to announce that because of last year's successful party, the Class of 2008 would like to celebrate their "Senior Class After-Graduation Party" at Dave and Busters in Arundel Mills Mall. The event will begin Thursday evening/Friday morning at 12:30 a.m., and end at 4:00 a.m. Thursday morning, May 23rd, 2008.

Dave and Busters is a proud promoter of supporting parents in providing graduating seniors with an opportunity to be together one last time to spend the evening in a safe and alcohol free environment, playing games, enjoying meals, and celebrating their graduation and new beginnings. The seniors will have the entire 65,000 square foot facility to themselves. They will have exclusive and unlimited use of all games including over 150 electronic simulation games, "Amazing Games", virtual reality games, 13 billiard tables, 14 bowling lanes, etc. Students and chaperones will be provided with food and beverages all evening. There is a special reserved VIP lounge for chaperones to relax in, and will provide students a place in which they may check any personal items.

In order to guarantee this evening we must have your payment of \$80 before March 21st.

Please complete the attached permission slip and return it promptly to the school office with a check for \$80 made out to Archbishop Spalding High School. We must have this permission slip completed along with payment in order for your student to attend.

Parents of any student who may have concerns or limits on their son / daughter's ability to drive at the time this evening ends are welcome to pick up their son/daughter at Jillian's, or arrange for carpools. Also, any student with a Provisional Driver's License will be given a copy of his or her permission slip in case he or she is pulled over. As long as the student is not doing anything against the law this permission slip will be proof of his or her whereabouts.

If you have any questions, or are interested in helping chaperone this event, feel free to contact Rena or Annette at the numbers listed above.

Congratulations, and thank you very much for your enthusiastic support and quick response!!
