# Boys Soccer Summer Camp

## Archbishop Spalding High School

## About the Camp

The Boys Soccer Camp is open to all boys from 6-13 years of age and all levels of experience. The camp is designed to improve the game of soccer at all levels. With specific training and instruction for all different age groups and skill levels, the campers will feel comfortable in their surroundings, while also being challenged to improve. All players will be instructed using sound, basic fundamentals, and more experienced players will also focus on more advanced topics such as possession and keeping team shape. There will be several competitions throughout the week, and the campers will come away with a better understanding of why the World calls soccer the “beautiful game.”

### Camp Supervision

Campers will be paired in groups of 8-10 with one counselor to each group. This will provide the campers with the individual attention that they deserve, and will allow our staff to give specific, technical instruction.

### Camp Supplies

Each camper should be dressed appropriately to play soccer. Soccer/athletic shorts, t-shirt, soccer socks over shin-guards and soccer cleats. The camp will take place on the synthetic turf field, and only soft spikes (no metal cleats) will be allowed. All campers should bring a ball and water each day.

### Special Contests

Throughout the week, there will be special contests including penalty kicks, juggling, goal-keeping, etc., with prizes being awarded to the winners.
